# Setup TED for Smart-me

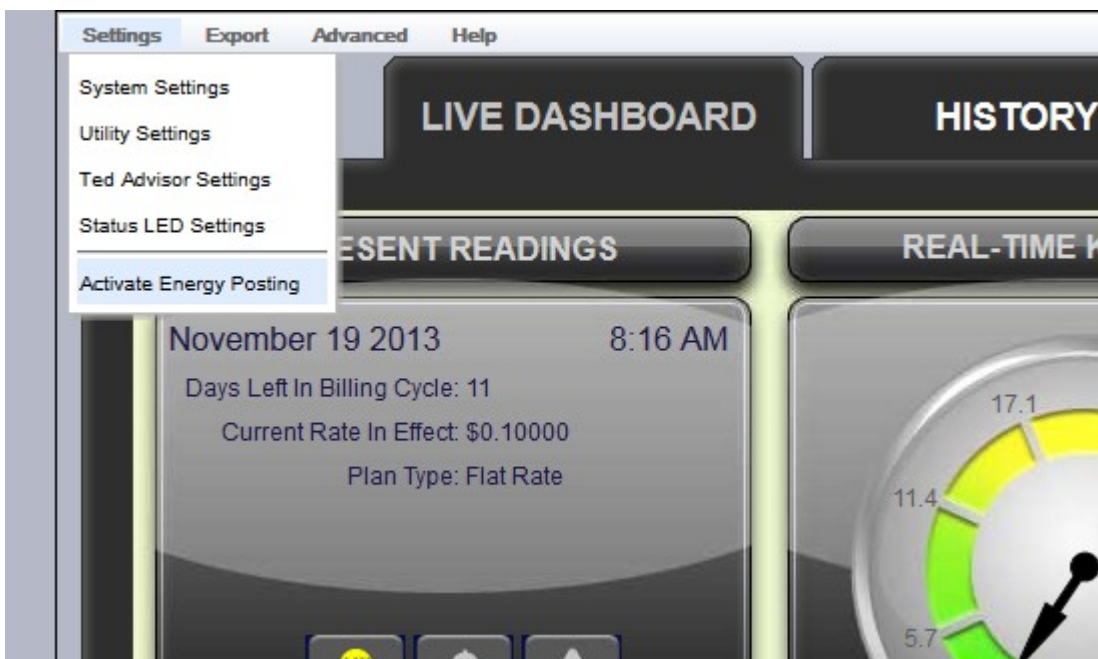

## 1. Create Smart-me Account

After you have setup your smart-me account go to the Settings Page and copy your User ID. (You find the Settings by clicking on your User name on the top right of the page).

## 2. Open the Web Interface for your TED

From the Footprints Dashboard, Select Settings/Activate Energy Posting

Elektrizität

Wasser

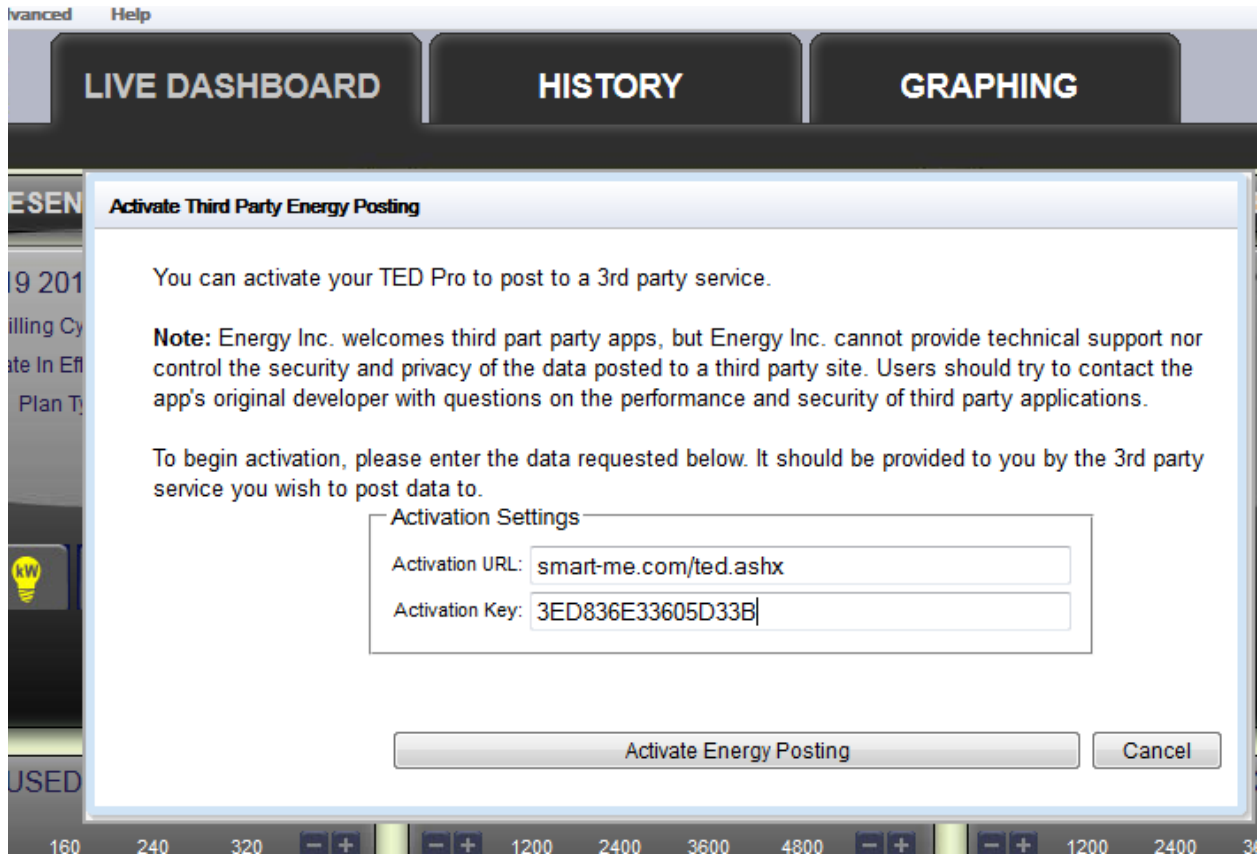

Gas

Wärme

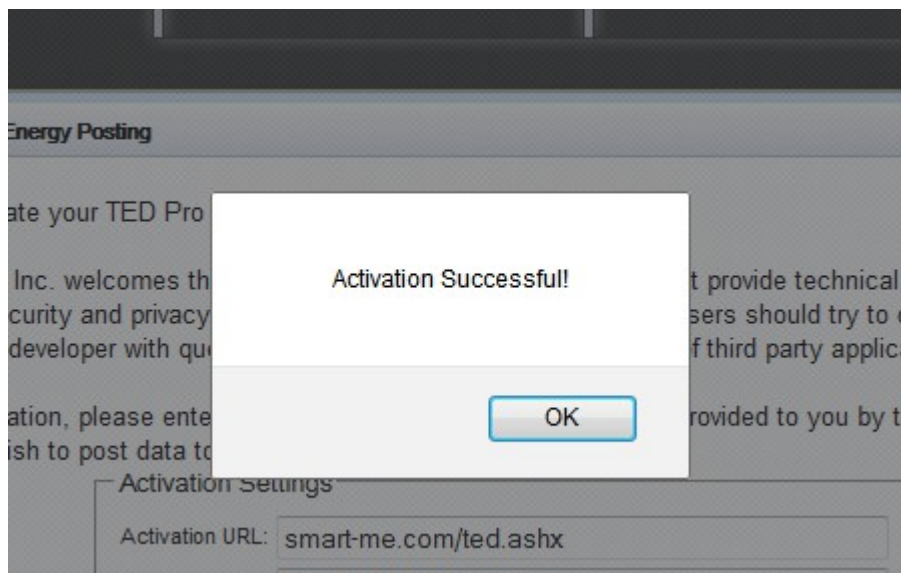

### 3. Enter Activation URL and the User ID

Activation URL: smart-me.com/ted.ashx

Activation Key: Smart-me User ID

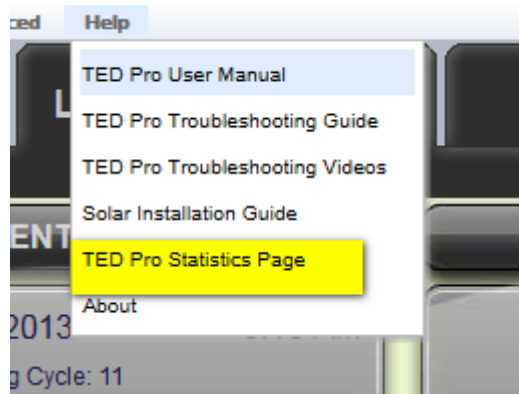

### 4. Within 20-30 seconds, a response should indicate if activation is successful.

**Troubleshooting: Check the TED's stats page**

Status code for posting can be found on the stats page. Look under HELP.

3rd Party Post
